

Flint Mural Coloring Page: The Torch Fox by Rebeka Skela (@sanguineskills)

Flint Handmade is partnering with the Flint Public Art Project to provide coloring pages of select Flint murals by local, national and international artists.

We encourage people to print the pages, visit the murals in person with their completed coloring pages anytime and take photos to post on social media. Use the hashtag #colorflintmurals to receive a FREE prize pack from Flint Handmade. Email us at hello@flinhandmade.org after you post your photos to claim your prize. One prize per household per coloring page design. We also encourage you to tag Flint Handmade, the Flint Public Art Project and the artist.

Printed copies of the coloring pages are available at the Flint Public Library inside Courtland Center. One copy per person. **Happy Coloring!**
